## School Age Child Care Information

The School Age Child Care Program (SACC) is a Community Education program available through the Roseau School District.

The Roseau School Age Child Care program is located in the old weight room of the Roseau Elementary School. Parents are encouraged to pick up or drop off on the north side of the Roseau Elementary School or the pool parking lot.

We provided convenient hours to cover the work hours of employers in the Roseau area.

SACC uses the Roseau School facilities which include classrooms, gym, walking track and art room.

During the school year, children have the opportunity to participate in the school breakfast program.

A safe and educational environment is encouraged where children have fun and grow in a creative manner.
